Brave astronaut  
in deep black space  
You fly around  
in this great big place  
You go around the Earth  
You land on the moon  
We hope you'll come back home

very soon  
Astronaut! Oh astronaut!  
Is your spaceship neat  
Your job just can't be beat  
We want to be like you...

They make noise like a drum

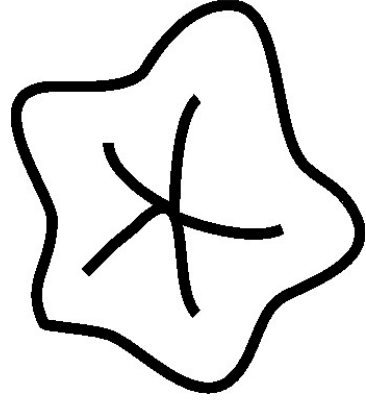

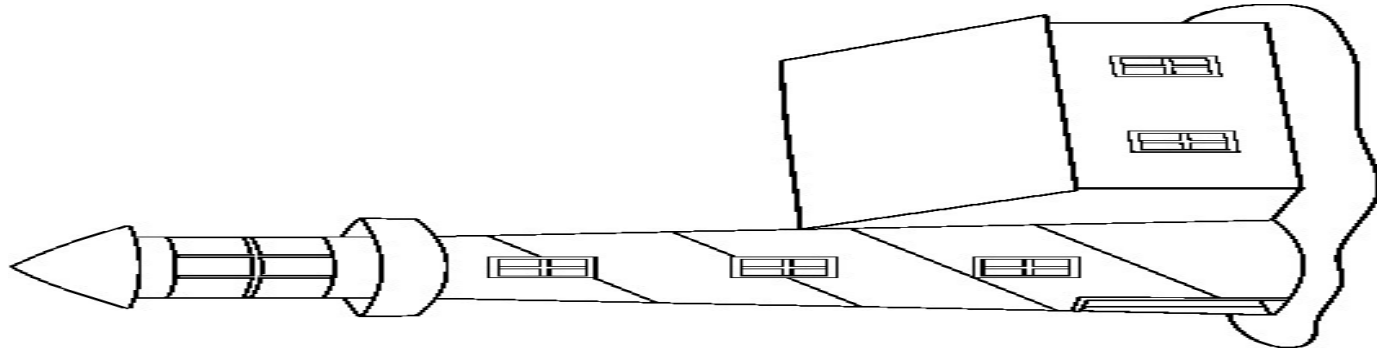

With a hum hum here

Everywhere a hum hum!
